2026

*Be it enacted by the Legislature of the Virgin Islands:*

### SECTION 1. SHORT TITLE

This Act may be cited as the “2026 Second Amendment Rights and Public Safety Act.”

### SECTION 2. LEGISLATIVE FINDINGS AND PURPOSE

The Legislature finds and declares that:

(a) The Second Amendment to the United States Constitution, made applicable to the Virgin Islands under Section 3 of the Revised Organic Act of 1954, as amended, provides: “A well-regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.”

(b) The United States Supreme Court, in *District of Columbia v. Heller*, 554 U.S. 570, 628-629 (2008), held that the Second Amendment guarantees the right of individuals to keep and bear arms for self-defense, including the right to keep and bear handguns in the home for the protection of one’s home and family.

(c) In *N.Y. State Rifle & Pistol Ass’n v. Bruen*, 597 U.S. 1, 70 (2022), the Supreme Court also held that the Second Amendment guarantees the right to bear commonly used arms in public subject to certain reasonable, well-defined restrictions and that statutes conditioning the issuance of a license to possess or carry firearms on a showing of “proper cause” or “special need” for self-protection violate the Second Amendment.

(d) The United States Supreme Court has repeatedly recognized that the right secured by the Second Amendment is not unlimited and also recognized the validity of longstanding prohibitions on the possession of firearms by felons and the mentally ill, laws forbidding the

carrying of firearms in sensitive places such as schools and government buildings, and laws imposing conditions and qualifications on the commercial sale of arms.

(e) The Supreme Court has also upheld the validity of the historical tradition of prohibiting the carrying of “dangerous and unusual weapons” and weapons not typically possessed by law-abiding citizens for lawful purposes, such as short-barreled shotguns.

(f) Therefore, it is necessary to amend the provisions of the Virgin Islands Code regarding the possession, receipt, purchase, sale, transfer, transportation, and carrying of firearms, in order to safeguard the right of the people to keep and bear arms, while enabling law enforcement to protect the people of the Virgin Islands from unlawful gun violence in a manner that is consistent with the nation’s historical tradition of firearm regulation.

**SECTION 3.** Title 23, Virgin Islands Code, chapter 5, sections 451, 452, 453, 454, 454a, 455, 456, 456a, 457, 458, 459, 459a, 460, 466, 471, 472, 473, 480, 483, 485, and 489a are repealed and reenacted with the following amendments:

(b) Upon submission of the documents, materials, or other evidence requested, the commissioner shall, within 30 days, either renew the license or revoke the license in accordance with subsection (c).

(c) If, at any time following the issuance of a Virgin Islands Firearms License, the commissioner determines, upon a preponderance of the evidence, that the licensee no longer satisfies one or more of the requirements in section 454 of this chapter, the commissioner shall revoke the license by providing the licensee with a written notice of revocation that shall:
