

RESOLUTION NO. 1920

BILL NO. 36-0107

THIRTY-SIXTH LEGISLATURE OF THE VIRGIN ISLANDS

Regular Session

2025

A resolution honoring and commending Dr. Alfred Lee Anduze for his outstanding achievements and significant contributions to the fields of medicine, science, public health, and community empowerment

---0---

WHEREAS, Dr. Alfred Lee Anduze, was born on December 31, 1948, on St. Croix, and has exemplified a lifelong commitment to medical excellence, community service, and personal integrity;

WHEREAS, Dr. Alfred Lee Anduze is a devoted husband and father of three children Shari-Lyn, Alfred Lee II, and Selena Lon;

WHEREAS, Dr. Anduze is affiliated with esteemed organizations such as Lambda Chi Alpha Fraternity, the American Tennis Association, the U.S. Lawn Tennis Association, the St. Croix Tennis Association, and the St. Croix Golf Association;

WHEREAS, Dr. Anduze received his early education at the Institute Monte Rosa in Montreux, Switzerland (1963–1966), where he was honored with the Head Boy Award in 1966, and earned a B.A. in Biology with a minor in English Literature from Clark University (1966–1970), actively participating in varsity soccer, cross-country running, and track and field;

WHEREAS, Dr. Anduze earned his medical degree with honors from Howard University College of Medicine in 1974, where he served on the Student Council and contributed to research in psychiatry and neurology from 1971 to 1973;

WHEREAS, Dr. Anduze completed his internship in surgery at Freedmen's Hospital (now Howard University Hospital) in Washington D.C. and pursued postgraduate studies in ophthalmology at Sibley Hospital, affiliated with Georgetown University;

WHEREAS, from 1975 to 1978, Dr. Anduze completed his ophthalmology residency across prestigious institutions including Howard University Hospital, Walter Reed Army Hospital, Georgetown University Hospital, and D.C. General Hospital, becoming Chief Resident in 1978;

WHEREAS, Dr. Anduze holds multiple medical licenses from Maryland (1974), the District of Columbia (1978), the Virgin Islands (1978), and Georgia (1990);

WHEREAS, Dr. Anduze served honorably in the United States Air Force Medical Reserve, achieving the rank of Captain before his honorable discharge in 1975;

WHEREAS, Dr. Anduze has been a longstanding and respected member of many professional organizations, including the American Medical Association, National Medical Association, and the American Academy of Ophthalmology, and is the co-founder and CEO of the Ophthalmology Society of the West Indies (1990);

WHEREAS, Dr. Anduze has been internationally recognized and affiliated with numerous medical and scientific societies including the Societe-Ophtalmologie Francaise, the International Society of Refractive Surgery, and the European Society of Outpatient Surgery;

WHEREAS, Dr. Anduze expanded his medical expertise into integrative and herbal medicine, becoming a Fellow in Integrative Medicine from the University of Arizona (2005), a Fellow of the American Board of Disability Analysts (2007), and earning a Master's in Herbal Medicine from Clayton College of Natural Health (2008);

WHEREAS, Dr. Anduze has received numerous commendations including a citation by Best Doctors, Inc., and has contributed to global health as part of Worldwide Healthcare Services International and the International Society on Hypertension in Blacks;

WHEREAS, Dr. Alfred L. Anduze, MD, is a distinguished physician, researcher, and author whose scholarly contributions have significantly advanced the fields of ophthalmology and integrative medicine;

WHEREAS, Dr. Anduze has authored numerous peer-reviewed scientific publications, including seminal work on optic nerve hypoplasia with hyperthyroidism and third nerve palsy published in *Annals of Ophthalmology* (1980), and collaborative research on the effects of marijuana on intraocular and blood pressure in glaucoma (*Ophthalmology*, 1980);

WHEREAS, Dr. Anduze is recognized internationally for his pioneering research and surgical techniques in pterygium classification and management, with textbook publications such as *Pterygium: A Practical Guide to Management*, 2009, *Journal of Ophthalmic Surgery* (1994), *Annals of Ophthalmology* (1985), and multiple clinical guides, including his hallmark "Anduze Surgical Technique";

WHEREAS, his work on ultraviolet radiation and cataract management in the West Indies, the use of Mitomycin-C in pterygium surgery, and pterygium staging in the Caribbean has influenced global ophthalmic practices;

WHEREAS, Dr. Anduze has contributed to genetic and pediatric ophthalmology research, co-authoring landmark studies such as "A New Locus for Autosomal Dominant Stargardt-Like Disease" (*American Journal of Human Genetics*, 1999) and "Phakic Angle Supported Refractive Implants in Children" (*Journal of Pediatric Ophthalmology*, 2000);

WHEREAS, his surgical expertise is further documented in contributions to journals such as *Ophthalmic Surgery and Lasers* (1996, 2001), *Journal of Cataract and Refractive Surgery*, and collaborative chapters in major ophthalmology textbooks including the two-volume *Cornea Text* by Copeland & Asfari (2012);

WHEREAS, Dr. Anduze is also a prolific author of books addressing regional language, public health, culture, and integrative medicine, including *Medical Terminology of the Eastern Caribbean* (1987), *Caribbean Crosswords* (1993), and *A West Indian Fish Tale* (1993);

WHEREAS, he has published works of fiction and practical guides such as *Lovely Larisa and Other Stories* (1995), *The Secret of Anna's Hope* (2002), and *First Aid on the Farm* (2018), as well as major contributions to integrative eye care including *An Integrative Medicine Approach to Modern Eye Care* (2014), co-authored with Dr. John Merritt, and featuring a foreword by Dr. Andrew Weil;

WHEREAS, between 1980 and 2015, Dr. Anduze was invited to lecture and perform surgeries internationally, including Switzerland, South Africa, Cuba, Nevis, and Hungary, earning recognition for his innovations and elevating Caribbean medical expertise on the world stage;

WHEREAS, he has continued to educate and inspire with publications such as *Natural Health & Disease Prevention* (2016), *In Search of a Stress-Free Life* (2018), *Social Connections and Your Health* (2021), and *Un-Usual People: A Caregiver's Manual* (2022), combining memoir, clinical insight, and health advocacy;

WHEREAS, in 2011, he established a medicinal and organic agricultural project in Maricao, Puerto Rico, cultivating over 200 species of healing plants and promoting food and health sovereignty through sustainable farming and education;

WHEREAS, Dr. Anduze has many accolades and accomplishments in the medical field to include:

- Staff Ophthalmologist at the Department of Ophthalmology, Washington Hospital Center, Washington, D.C., from 1978 to 1980;
- Consulting Ophthalmologist and Staff Physician in the Department of Surgery at Charles Harwood Hospital in St. Croix, Virgin Islands, from 1978 to 1980;
- Associate Professor of Surgery (Ophthalmology) at the American University of the Caribbean Medical School, from 1983 to 1989;
- Assistant Professor of Surgery at Morehouse College of Medicine in Atlanta, Georgia, from 1990 to 1995;
- Assistant Clinical Instructor in Ophthalmic Surgery and Infectious Diseases with the University of Florida/Jacksonville Program from March 2000 to 2009;

- Assistant Commissioner of Health, Virgin Islands Department of Health, from 1981 to 1984;
- Chairman of the Virgin Islands Board of Optometrical Examiners, 1983 to 1988, and again a member from 1998 to 2006 and 1998 to 2002;
- Chairman of the Virgin Islands Board of Medical Examiners from 1988 to 1993;
- Board Trustee of the Country Day Preparatory School in St. Croix, from 1984 to 1989;
- Chairman of the Continuing Medical Education Committee at St. Croix Hospital from 1986 to 1991;
