3 a new chapter 301A to read as follows:

1 **§ 3513. Alternatives to Live In-Court Testimony**

2 (a) Child's live testimony by two-way closed-circuit television:

3 (1) In a proceeding involving an alleged offense against a child, the attorney for
4 the Government, the child's attorney, or a guardian ad litem, appointed under section 3518
5 of this chapter, may move the court for an order that the child's testimony be taken in a
6 room outside the courtroom and be televised by two-way closed circuit television. The
7 party seeking such an order shall file an appropriate motion at least seven (7) days before
8 the trial date. If a party moves the court for an order outside the seven days, the court may
9 still issue an order if it finds that the need for the order was not reasonably foreseeable
10 and good cause exists for the order to be entered.

11 (2) The court may order that the testimony of the child be taken by closed-circuit
12 television as provided in paragraph (1) of this section if the court finds that the child is
13 unable to testify in open court in the presence of the defendant, for any of the following
14 reasons:

15 (A) the child is unable to testify because of fear;

16 (B) there is a substantial likelihood, established by expert testimony, that the
17 child would suffer emotional trauma from testifying;

18 (C) the child suffers a mental or other infirmity; or

19 (D) conduct by defendant or defense counsel causes the child to be unable
20 to continue testifying.

21 (3) The court shall support a ruling on the child's inability to testify with findings
22 on the record. In determining whether the impact on an individual child of one or more
23 of the factors described in paragraph (2) is so substantial as to justify an order under
24 paragraph (1), the court may question the minor in chambers, or at some other comfortable

1 place other than the courtroom, for a reasonable period of time with the child attendant,
2 the prosecutor, the child's attorney, the guardian ad litem, and the defense counsel present.

3 (4) If the court orders that testimony be taken by closed-circuit television, the
4 attorney for the Government and the defendant's attorney, not including a party acting as
5 an attorney, pro se, shall be present in the room outside the courtroom with the child and
6 the child shall be subjected to direct and cross-examination. The only other person who
7 may be permitted in the room with the child during the child's testimony are:

8 (A) the child's attorney or guardian ad litem appointed under section 3518
9 of this chapter;

10 (B) persons necessary to operate the closed-circuit television equipment;

11 (C) a judicial officer, appointed by the court; and

12 (D) other persons whose presence is determined by the court to be necessary
13 to the welfare and well-being of the child, including an adult attendant.

14 (5) The child's testimony shall be transmitted by closed circuit television into the
15 courtroom for viewing and hearing by the defendant, jury, judge, and public. The
16 defendant shall be provided with the means of private, contemporaneous communication
17 with the defendant's attorney during the testimony. The closed-circuit television
18 transmission shall transmit the defendant's image and the voice of the judge into the room
19 in which the child is testifying.

20 (b) Videotaped deposition of child

21 (1) In a proceeding involving an alleged offense against a child, the attorney for
22 the Government, the child's attorney, the child's parent or legal guardian, or the guardian
23 ad litem appointed under section 3519 may make a motion to the court for an order that
24 the child's deposition testimony be taken outside of the defendant's presence and be
25 recorded and preserved on videotape.

1 (2) Upon timely receipt of a motion described in paragraph (1) of this subsection,
2 the court shall make a preliminary finding regarding whether at the time of trial the child
3 will be likely to be unable to testify in open court in the physical presence of the defendant,
4 jury, judge, and public for any of the following reasons:

5 (A) the child will be unable to testify because of fear;

6 (B) there is a substantial likelihood, established by expert testimony, that the
7 child would suffer emotional trauma from testifying in open court;

8 (C) the child suffers a mental or other infirmity; or

9 (D) conduct by defendant or defense counsel causes the child to be unable
10 to continue testifying.

11 (3) If the court finds that the child is likely to be unable to testify in open court
12 for any of the reasons stated in paragraph (2), the court shall order that the child's
13 deposition be taken and preserved by videotape.

14 (4) The trial judge shall preside at the videotaped deposition of the child and shall
15 rule on all objections and motions as if at trial. The only other persons who may be
16 permitted to be present at the proceeding are:

17 (A) the attorney for the Government;

18 (B) the defendant's attorney;

19 (C) the child's attorney or guardian ad litem appointed under section 3518
20 of this chapter;

21 (D) persons necessary to operate the videotape equipment;

22 (E) subject to paragraph (2)(D) of this subsection, the defendant; and

23 (F) other persons whose presence is determined by the court to be necessary
24 to the welfare and well-being of the child.

1 (5) The defendant shall be afforded the rights applicable to defendants during
2 trial, including the right to an attorney, the right to be confronted with the witness against
3 the defendant, and the right to cross-examine the child.

4 (6) If the preliminary finding of inability under paragraph (2) of this section is
5 based on evidence that the child is unable to testify in the physical presence of the
6 defendant, the court may order that the defendant, including a defendant represented pro
7 se, be excluded from the room in which the deposition is conducted. If the court orders
8 that the defendant be excluded from the deposition room, the court shall order that two-
9 way closed circuit television equipment relay the defendant's image into the room in
10 which the child is testifying, and the child's testimony into the room in which the
11 defendant is viewing the proceeding, and that the defendant be provided with a means of
12 private, contemporaneous communication with the defendant's attorney during the
13 deposition.

14 (7) The complete record of the examination of the child, including the image and
15 voices of all persons who in any way participated in the examination, must be made and
16 preserved on video tape in addition to a stenographical recording. The videotape must be
17 transmitted to the clerk of the court in which the action is pending, and must be made
18 available for viewing to the prosecuting attorney, the defendant, and the defendant's
19 attorney during ordinary business hours.

20 (c) If at the time of trial, the court finds that the child is unable to testify as for a reason
21 described in paragraph (2) of this subsection, the court may admit into evidence the child's
22 videotaped deposition in lieu of the child testifying at the trial. The court shall support a ruling
23 under this section with findings on the record.

1 (d) Upon timely receipt of notice that new evidence has been discovered after the
2 original videotaping and before or during trial, the court, for good cause shown, may order an
3 additional videotaped deposition. The testimony of the child must be restricted to the matters
4 specified by the court as the basis for granting the order.

5 (e) In connection with the taking of a videotaped deposition under this section, the court
6 may enter a protective order for the purpose of protecting the privacy of the child.

7 (f) The videotape of a deposition taken under this section must be destroyed five years
8 after the date on which the trial court entered its judgment, but not before a final judgment is
9 entered on appeal, including Supreme Court review. The videotape must become part of the
10 court record and be kept by the court until it is destroyed.

11 **§3514. Competency Examinations**

12 (a) Nothing in this section may be construed to abrogate rule 601 of the Virgin Islands
13 Rules of Evidence.

14 (b) A child is presumed to be competent.

15 (c) A competency examination regarding a child witness may be conducted by the court
16 only upon written motion and offer of proof of incompetency by a party.

17 (d) A competency examination regarding a child may be conducted only if the court
18 determines, on the record, that compelling reasons exist. A child's age alone is not a compelling
19 reason to conduct a competency examination.

20 (e) The only persons who may be permitted to be present at a competency examination
21 are:

- 22 (1) the judge;
- 23 (2) the attorney for the Government;
- 24 (3) the defendant's attorney;
- 25 (4) a court reporter; and

1 (5) persons whose presence, in the opinion of the court, is necessary to the welfare
2 and well-being of the child, including the child's attorney, guardian ad litem, or adult
3 attendant.

4 (f) A competency examination regarding a child witness must be conducted out of the
5 sight and hearing of a jury.

6 (g) The court must conduct the competency examination on the basis of questions
7 submitted by the attorney for the Government, the defendant's attorney, including a party acting
8 as an attorney pro se. The court may permit an attorney, but not a party acting as an attorney
9 pro se, to examine a child directly on competency if the court is satisfied that the child will not
10 suffer emotional trauma as a result of the examination.

11 (h) The questions asked at the competency examination of a child must be appropriate
12 to the age and developmental level of the child, must not be related to the issues at trial, and
13 must focus on determining the child's ability to understand and answer simple questions.

14 (i) Psychological and psychiatric examinations to assess the competency of a child
15 witness may not be ordered without a showing of compelling need.

16 **§3515. Privacy Protection**

17 (a) A person acting in a capacity described in subsection (b) of this section, in
18 connection with a criminal proceeding shall:

19 (1) keep all documents that disclose the name or any other information
20 concerning a child in a secure place to which no person who does not have reason to know
21 their contents has access; and

22 (2) disclose documents described in subsection (c) of this section, or the
23 information in them that concerns a child only to persons who, by reason of their
24 participation in the proceeding, have reason to know such information.

25 (b) Subsection (a) of this section applies to:

1 (1) all employees of the Government connected with the case, including
2 employees of the Department of Justice, any law enforcement involved in the case, and
3 anyone hired by the Government to provide assistance in the proceeding;

4 (2) employees of the court;

5 (3) the defendant and employees of the defendant, including the defendant's
6 attorney and persons hired by the defendant or the defendant's attorney to provide
7 assistance in the proceeding; and

8 (4) members of the jury.

9 (c) All papers to be filed in court that disclose the child's name, or any other information
10 concerning a child, must be filed under seal without necessity of obtaining a court order. The
11 person who makes the filing shall submit to the clerk of the court:

12 (1) the complete paper to be kept under seal; and

13 (2) the paper with the portions of it that disclose the child's name, or other
14 information concerning the child, redacted to be placed in the public record.

15 (d) On motion by any person the court may issue an order protecting the child from
16 public disclosure of the child's name, or any other information concerning the child in the course
17 of the proceedings, if the court determines that there is a significant possibility that such
18 disclosure would be detrimental to the child.

19 (e) A protective order issued under subsection (d) of this section may:

20 (1) provide that the testimony of a child witness, and the testimony of any other
21 witness, when the attorney who calls the witness has reason to anticipate that the child's
22 name, or any other information concerning a child may be divulged in the testimony, be
23 taken in a closed courtroom; and

24 (2) provide for any other measures that may be necessary to protect the privacy
25 of the child.

1 (f) This section does not prohibit disclosure of the child's name, or other information
2 concerning the child to the defendant, the defendant's attorney, a multidisciplinary child abuse
3 team, guardian ad litem, or an adult attendant, or to anyone to whom, in the opinion of the court,
4 disclosure is necessary to the welfare and well-being of the child.

5 **§ 3516. Closing the Courtroom**

6 When a child testifies, the court may order all persons excluded from the courtroom except
7 for the adult attendant, including members of the press, who do not have a direct interest in the
8 case. Such an order may be made if the court determines that requiring the child to testify in
9 open court would cause substantial psychological harm to the child, or would result in the child's
10 inability to communicate effectively. Such an order must be narrowly tailored to serve the
11 Government's specific compelling interest.

12 **§ 3517. Victim Impact Statement**

13 In preparing the presentence report pursuant to rule 32(c) of the Virgin Islands Rules of
14 Criminal Procedure, the probation officer shall request information from the multidisciplinary
15 child abuse team and other appropriate sources to determine the impact of the offense on the
16 child victim and any other children who may have been affected. The guardian ad litem,
17 appointed under section 3519 of this chapter shall make every effort to obtain and report
18 information that accurately expresses the child's and the family's views concerning the child's
19 victimization. The guardian ad litem shall use forms that permit the child to express the child's
20 views concerning the personal consequences of the child's victimization, at a level and in a form
21 of communication commensurate with the child's age and ability.

22 **§ 3518. Use of Multidisciplinary Child Abuse Teams**

23 (a) The court shall use a multidisciplinary child abuse team when it is feasible to do so.
24 The court shall work with the Government and its established multidisciplinary child abuse

1 teams designed to assist child victims and child witnesses, and the court and the attorney for the
2 Government shall consult with the multidisciplinary child abuse team as appropriate.

3 (b) The role of the multidisciplinary child abuse team is to provide specific services for
4 the child including:

5 (1) medical diagnoses and evaluation services, including provision or
6 interpretation of x-rays, laboratory tests, and related services, as needed, and
7 documentation of findings;

8 (2) telephone consultation services in emergencies and in other situations;

9 (3) medical evaluations related to abuse or neglect;

10 (4) psychological and psychiatric diagnoses and evaluation services for the child,
11 parent or parents, guardian or guardians, or other caregivers, or any other individual
12 involved in a child-victim or child-witness case;

13 (5) expert medical, psychological, and related professional testimony;

14 (6) case service coordination and assistance, including the location of services
15 available from public and private agencies in the community; and

16 (7) training services for judges, litigators, court officers and others that are
17 involved in child-victim and child-witness cases, regarding the appropriate handling of
18 child victims and child witnesses.

19 **§ 3519. Guardian Ad Litem**

20 (a) In order to protect the best interests of the child, the court shall appoint, and provide
21 reasonable compensation and payment for expenses for a guardian ad litem for a child who was
22 a victim of a crime involving abuse or exploitation. The court also may use its discretion to
23 appoint and provide reasonable compensation and payment for expenses for a guardian ad litem
24 for a child who was a witness to a crime involving abuse or exploitation. In making the
25 appointment, the court shall consider a prospective guardian's background in, and familiarity

1 with, the judicial process, social service programs, and child abuse issues. The guardian ad
2 litem shall not be a person who is or may be a witness in a proceeding involving the child for
3 whom the guardian is appointed.

4 (b) A guardian ad litem may attend all the depositions, hearings, and trial proceedings
5 in which the child participates, and make recommendations to the court concerning the welfare
6 of the child. The guardian ad litem may have access to all reports, evaluations and records,
7 except attorney's work product, necessary to effectively advocate for the child. The extent of
8 access to grand jury materials is limited to the access routinely provided to victims and their
9 representatives. A guardian ad litem shall marshal and coordinate the delivery of resources and
10 special services to the child. A guardian ad litem shall not be compelled to testify in any court
11 action or proceeding concerning any information or opinion received from the child in the
12 course of serving as a guardian ad litem.

13 (c) A guardian ad litem is presumed to be acting in good faith and is immune from civil
14 and criminal liability for complying with the guardian's lawful duties described in subsection
15 (b) of this section.

16 **§ 3520. Adult Attendant**

17 (a) A child testifying at or attending a judicial proceeding shall have the right to be
18 accompanied by an adult attendant to provide emotional support to the child. The court may
19 allow the adult attendant to remain in close physical proximity to or in contact with the child
20 while the child testifies. The court may allow the adult attendant to hold the child's hand. An
21 adult attendant may not provide the child with an answer to any question directed to the child
22 during the child's testimony or otherwise prompt the child. The image of the child attendant,
23 for the time the child is testifying or being deposed, must be recorded on videotape.

1 (b) Upon court approval, the child may be accompanied by an emotional support animal
2 during the proceedings. The inclusion of a support animal as part of the child's support system
3 must adhere to the Court's established guidelines to maintain decorum.

4 (c) The Court shall take into consideration the specific needs and preferences of the
5 child to ensure the child's comfort. The Court shall also ascertain the effectiveness of the
6 support provided by the adult attendant or support animal.

7 (d) To document the child's statements and disposition, the child's testimony or
8 deposition must be videotaped."

9 **§ 3520a. Speedy Trial**

10 In a proceeding in which a child is called to give testimony, on motion by the attorney for
11 the Government or a guardian ad litem, or on its own motion, the court may designate the case
12 as being of special public importance. In cases so designated, the court shall, consistent with
13 these rules, expedite the proceeding and ensure that it takes precedence over any other. The
14 court shall ensure a speedy trial in order to minimize the length of time the child must endure
15 the stress of involvement with the criminal process. When deciding whether to grant a
16 continuance, the court shall take into consideration the age of the child and the potential adverse
17 impact the delay may have on the child's well-being. The court shall make written findings of
18 fact and conclusions of law when granting a continuance in cases involving a child.

19 **§ 3520b. Stay of Civil Action**

20 If, at any time that a cause of action for recovery of compensation for damage or injury to
21 the person of a child exists, a criminal action is pending which arises out of the same occurrence
22 and in which the child is the victim, the civil action shall be stayed until the end of all phases of
23 the criminal action, and any mention of the civil action during the criminal proceeding is

1 prohibited. As used in this section, a criminal action is pending until its final adjudication in
2 the trial court.

3 **§ 3520c Testimonial Aids**

4 The court may permit a child to use anatomical dolls, puppets, drawings, mannequins, or
5 any other demonstrative device the court deems appropriate for the purpose of assisting a child
6 in testifying.

7 **§3520d. Prohibition on Reproduction of Child Pornography**

8 (a) In any criminal proceeding, any property or material that constitutes child
9 pornography, as defined by title 18, section 2256 of the United States Code, must remain in the
10 care, custody, and control of either the Government or the court.

11 (b) Notwithstanding rule 16 of the Virgin Islands Rules of Criminal Procedure, a court
12 shall deny, in any criminal proceeding, any request by the defendant to copy, photograph,
13 duplicate, or otherwise reproduce any property or material that constitutes child pornography,
14 as defined by title 18, section 2256 of the United States Code, so long as the Government makes
15 the property or material reasonably available to the defendant.

16 (c) For the purposes of subsection (b) of this section, property or material is deemed to
17 be reasonably available to the defendant if the Government provides ample opportunity for
18 inspection, viewing, and examination at a Government facility of the property or material by the
19 defendant, the defendant's attorney, and any individual the defendant may seek to qualify to
20 furnish expert testimony at trial."

21 **SECTION 2.** Title 5 Virgin Islands Code, chapter 301, subchapter IV, section 3510 is
22 repealed.

23 **BILL SUMMARY**
